Year 3 Stone Age workshop

Our Year 3 children were lucky enough to visit the Stone Age on Wednesday, with Aia. They learnt all about survival skills and how to hunt for animals. Which parts of the animal to eat and which part to make use of i.e. hides for clothes and blankets, bones for tools etc. They also made their own axe and also took part in archery. Apparently, all of our great, great, great ancestors lived in the Stone Age. They also created stone age art on rocks.
It was a really enjoyable and informative day.

Don't forget Careers Day on Friday

EMOTIONS COACHING

Last Wednesday we launched the first of a series of 3 parent / carer workshops, hosted by our wonderful Educational Psychologist, Kelly Golding.
Attendees learnt about working with their children and managing their emotions. They received guidance on 'Flipping your Lid' model. If you want to find out more, click on the link below.

Gentle reminders and considerations

Please remember to be more thoughtful when dropping your children to school, DO NOT BLOCK THE ROAD!

When you are in our playground, we would request that you are not on your phones. Your children are really looking forward to seeing you after a day at school.

Please do not smoke or vape near our school gates, we don't need to wear any more than our clothes. Thank you.

On the last newsletter, we introduced Elsie Levy. All donations made to our Christmas Jumper Day and to our nativities will go directly to Elsie's 'gofundme' page. If you would like to donate to Elsie's cause, you are able to do so by clicking on the following link
