Key Stage 2 parties

Last day of school

Year 6 Leavers Assembly 11am (Yr6 children to leave with parents at the end)

2pm finish for everybody else please

Retirement of Carol Charman

As we approach the end of the year, we embrace a time of change for many Middle Parkers, children and adults. After more than 20 years, our fantastic School Business Manager Carol Charman will be retiring. Carol has been a strong presence in school and has managed our school budget and business matters with precision and integrity. She also leads our Admin Team and our Premises Team and is a senior leader, closely involved in influencing school improvement.

Carol is one of the most experienced SBMs in the Borough and has also done a huge amount of outreach work; supporting colleagues in other settings, helping to facilitate and run SBM conferences, recruiting for partnership schools and mentoring staff studying school business qualifications.

Carol and her husband are retiring together and have relocated to a rural setting where she fully intend to embrace all the wonders of country living.

We cannot thank her enough for her contribution to our school and we all wish her every bit of happiness in the next chapter of her life.

We are very happy to announce that we have appointed a new School Business Manager who will take up post from September 2017. **JULIE WELLS** is extremely experienced in all aspects of school business management and we look forward to introducing her to you and welcoming her to our staff in due course.

Girls' FA Football Tournament

Well what a fantastic day for our Year 4 and Year 5 football teams and a big thank you to The London Football Association for giving us the opportunity. The girls got to freestyle, referee, shoot, react and play as a team and they thoroughly enjoyed themselves. Miss Turner said that she couldn't have wished for a more motivated team. The Millwall player Leanne Robe loved our group and spent the whole morning hanging out with them. Well done everyone.

Year 2 visit Crystal Palace Park

Year 2 had a dinotastic day at Crystal Palace Park. They went on a dinosaur hunt and spotted several of the infamous beasts lurking in the bushes. It was a perfect day for them and they all had a great time.

This Friday 14th July is DINOSAUR DAY in Years 1 and 2. Children do not have to wear uniform to school – and can dress in anything remotely linked to dinosaurs; they could be explorers, palaeontologists, Jurassic Park extras... anything they wish. The staff will obviously be leading the way on the costume front as you can imagine. It is going to be a fun-packed day for all the children so look out for the pictures!

Year 6 day out in Southend

In the words of Mrs Fenn, Year 6 had a "FANTASTIC, BRILLIANT, AMAZING" day at Southend. They deserve it after all their hard work this year! Well done Year 6.
