ASD Coffee Mornings

Message from Miss Hogger and Miss Evans:

“We would like to say a very big thank you to Hannah Monroe from the autism outreach service for running our regular ASD coffee mornings. She has provided valuable support for a number of our parents and we hope to continue this service in the future. Sadly, Hannah herself is leaving the service but we wish her all the very best and know she will be just amazing as she is training to become an Educational Psychologist. Who knows, we may work with her in the future.”

Year 4 Parent Surveys

After reading a few passionate arguments for keeping the ballgame on some of the Year 4 parent surveys, we should probably mention that we never had any intention of removing it to create more car parking spaces for teachers! The children were learning persuasive writing in Literacy and we wanted to give them something to get passionate about. It worked – their letters were of a very high standard! But it was a spoof. Although interestingly, not all of them were completely opposed to the idea. Turns out not **everyone** loves football – imagine that!

After-School Clubs

This is the last week for after school clubs and swimming. Ceramics Club are finishing off an African topic and are very proud of their creations which include individual piece necklaces and models of the 'Big 5.'

University of Greenwich – Partnership awards

Once again, Middle Park was recognised at the annual Partnership Awards. The school received a 'top partner' award; Miss Davis, Mr Lawrence and Mr Drury were recognised for their inspiring professional development days and there was an 'exceptional achievement' award for Mrs Adams in recognition of all that she does with and for the University. Well done Middle Park!

SPORTS DAY 2017

A huge thank you to Miss Turner, Diane, our junior sports leaders and to all our friends at Eltham Hill School for organising such a fun and exciting sports day for our children. We finally got a bit of sports day luck – not too hot, not raining; and the children embraced the opportunities, competed brilliantly and really enjoyed themselves.

It's a day when certain individual children really show what they can do. Congratulations to Clive Sebaleke who managed to throw the turbo javelin so far it actually landed in the netball court! (Apologies to the parent whose ear it skimmed!) And mention also for Lucas Westwood who appeared to break the land speed record during his 400-metre relay race. Pupils were also recognised for their excellent sportsmanship and for demonstrating the Olympic values throughout the course of the day.

The Eltham Hill students were an absolute credit to their school. They ran around all day and never stopped cheering on and encouraging our children. Thanks again to Miss Turner and Diane who also put so much work into the day. Well done everyone!
