Parent Governor Opportunity

Parents and carers should have received notification that we are looking to find new parent governors for the school. This is an exciting and interesting opportunity to get to know more about how the school runs and to have a pro-active role within the school community and a voice in everything from curriculum decisions to premises development and recruitment.

The deadline for nominations is **THURSDAY 27TH FEBRUARY 2020**. Please feel free to come and speak with Miss A or Julie Wells in the school office if you have any questions or would like more information.

We look forward to working with you!

Musical Performance to Parents

Well done to our young guitarists and singers who entertained their parents before half term and demonstrated everything they have been learning with Rory. It was a really enjoyable performance and a great showcase for their efforts.

Well done everyone.

We have so many kind children in our school who go out of their way to look out for others. They really do make the world a nicer place to be.
Never change!!
