Year 6 Leadership Roles

Our lovely new Year 6 have recently been considering their personal qualities, using peer-power to encourage each other and thinking consciously about the importance of high self-esteem and having confidence in themselves. A small number of pupils have been selected this year to take on leadership roles in school where they will be able to demonstrate these qualities and set an example to our younger children. We're very proud of all our Year 6 children, and special congratulations this week to the following:

Head Girl – Lily Hosier

Head Boy – James Fallon

Deputy Head Girl – Bella Doherty

Deputy Head Boy – Stevie Jay Heffer Redding

Prefects 2021/22:

Kyla Simpson, Teddy Richardson, Erin Fay, Sherifat Balogun, Erin Garavand, Harry Hughes

Year 6 is such an important year in school. The younger children look up to them as role models and they really do have the potential to inspire others. This is a wonderful year group and we are really looking forward to seeing how they thrive in school

School Houses 2021-22

Our house system is being revamped, relaunched and renamed this year thanks to Miss Micklewhite who has lots of ideas for promoting this positive competition and identity throughout the school.

Our houses will now be named after inspiring British sports people and the children have been introduced to these individuals. Miss Micklewhite has set them a challenge to find out what they can about their sports star and returned work will be added to our PE display. Our school houses are now named:

- RASHFORD HOUSE (Red) Named after Marcus Rashford.
House Captain – Halle Gilani Richards
- KENNY HOUSE (Blue) named after Laura Kenny,
House Captain Evie Crabb
- ASHER-SMITH HOUSE (Yellow) named after Dina Asher-Smith,
House Captain Rudy Finch
- MURRAY HOUSE (Green) named after Andy Murray,
House Captain Nickie Rolls

Children can collect house points throughout the week by doing the right thing and demonstrating our many wonderful Middle Park values of friendliness, kindness, good manners, resilience, high effort, encouragement, patience, love of learning, challenging ourselves and facing our fears!

Parent Governor Applications

You should have received details about the opportunity to apply to become a school parent governor – please contact us if for any reason you have not. There is a coffee morning this Thursday 30th September for any interested parties where you can meet existing governors and find out more about the role. Please let us know if this is something you might be interested in and you are planning to attend on Thursday.

Secondary School Applications

Remember – the deadline for secondary school applications is the 31st October. Many of you are already visiting secondary schools with your children which is the very best way of making a positive decision together. Avoid being offered an allocated school by ensuring that you do the following:

- Name more than one secondary school on your form
- Make sure you submit your form on time
- Make sure you have met the school conditions including banding tests where appropriate. Arrangements differ from school to school so make sure you are checking their websites.
- You should apply through the borough that you live in, even if applying for an out-of-borough school

Remember – we are here for you. Don't hesitate to come in and speak with either Mrs Adkinson, Mrs Adams or Caroline.
