Last day of term

#### Happy half term week to all our families

It has been a busy and purposeful half term for everyone and it's time for the children and staff to have a well-deserved rest. It was good to end with some school trips with Year 3 walking The Line at Greenwich Peninsular as well as the cable car; Year 4 heading in to Greenwich to visit the Planetarium and Royal Observatory, and of course Year 6 spending the week at PGL Liddington on our first school journey for two years.

It has also been good to start welcoming parents and carers back into school for the ATD appointments and there are a series of coffee mornings and opportunities to come into school next half term. We look forward to seeing lots more of you soon.

So stay safe and look after each other as the nights start drawing in. We'll see you all at the usual time on Monday 1st November.

#### Year 6 School Journey to PGL Liddington

We look forward to hearing all the stories next half term once the children and staff have had a good rest, but messages coming through this week have been very positive about how much everyone is enjoying school journey. They have had a mixed bag of weather with bright sunshine, rain and temperatures ranging from 21 degrees to 11 degrees! But our fun-loving Year 6 have thrown themselves into every activity with great big smiles and lots of laughter. Thanks to the staff who have given the children this wonderful opportunity, Mrs Fenn, Miss Best, Karen, Jo, Miss Clarke and Billy. We can't wait to hear all about it.

#### Year 3 walk The Line

If you google 'The Line Sculpture Walk' you will see a guided walk that extends from the Olympic Park in Stratford to the o2 in Greenwich. Year 3 had a fun day out spotting some of the sculptures on this side of the river and taking a trip across the cable car for a birds-eye view of more art. It was great to get out for the day and huge thanks to the parent helpers who came along to support.

## Secondary School Applications

Year 6 parents and carers – please ensure you do not miss the deadline to apply for your child's secondary school! All applications must have been submitted by Sunday 31<sup>st</sup> October 2021. Late submissions will not be considered in the first round.

#### **Young Citizenship**

It was an exciting week for one of our Year 5 superstars last week. When she found somebody's purse on public transport, she decided to return it to its owner through the post with a lovely letter attached and all the contents intact. The member of the public was so thrilled to receive her letter that she made a point of contacting the school by email to express her gratitude. Two days later, a card arrive with a special card, chocolate lolly and a £5 reward.

Kindness and honesty wins the day! We're very proud of our young citizen and grateful to the kind stranger who made a fuss of her.
