Miniature Museum from the History Society

We have been fortunate enough to borrow a very special travelling miniature museum from the History Society which has prompted us to embark on some local history research throughout the school. All the children have been taking part and it was wonderful for us to be able to hold our first full Key Stage 2 assembly for a very long time. We loved being back together and the children shared their learning with one another which ranged from tales of highwaymen charging up Shooters Hill, Charles Darwin setting out from Woolwich and the various places that Henry VIII used to hang out in Greenwich and Eltham. It has been an inspiring time in history and we are all really enjoying our learning.

Parent Governor Nominations

Remember that tomorrow is the deadline to return your applications for the role of Parent Governor. Please return your completed forms to Mrs Wells in the School Office.

Science investigations in School

All great scientists are curious and have a million questions in their heads. We have so many great scientists in school and last week there was a lot of curiosity, investigating and exploring going on in school.

Year 4 were making star constellations using spaghetti and marshmallows, Year 3 were making spelt flour to make bread and Year 1 were dissecting poop to identify carnivores, herbivores and omnivores. That was a bit of a stinky afternoon!

Artists in Residence

We also have many great artists at Middle Park. Year 3 have been learning about art symbolism through a study of Julie Mahretu, an Ethiopian born American artist who uses line and pattern to portray emotion, social messages and self-expression. The children used charcoal to create their own self expressed emotions and patterns.

White Fang Class

White Fang class are loving their afternoon sessions with Mrs Lewis and Katie. Watch this space to see the exciting things they get up to this term!

Census Day Lunch

This Thursday is school Census Day and children who usually have a packed lunch are invited to try this school dinner menu for the day. Please see the special Census Day menu opposite. Remember: Children in FS2, Year 1 and Year 2 are all entitled to a free school meal every day. Children in Key Stage 2 and the Nursery can try one out on Thursday by letting the school office know and paying £2.66.

Remember: If you think you might be entitled to free school meals, please contact either Caroline or the school office. They can check the system for you and you may be able to claim other reductions and benefits.
