Individual photograph day

Last day of half term

Christmas Lunch

We enjoyed a lovely Christmas lunch day and had a great time. A huge thank you to Emma and her dream team for our lovely lunches all year and it was great to see our friend Vickie back to help out too. Merry Christmas everyone !! 🍕

Merry Christmas everyone !

Thank you to all our wonderful parents and carers for your support and happy smiles this term. Wishing you all a wonderful festive break and we look forward to seeing you again in 2022.

This Thursday we will finish at 2pm.

Wild Science visit in FS1

Wild Science visited our Nursery last week. The children were introduced to Barry the bearded dragon, Freda the tree frog, Millie the giant millipede, Sally the corn snake, Charlie the chinchilla and Terry the tarantula. The children learned interesting facts about each of the creatures... For example, did you know that a tarantula has eight legs and two arms? The children were given the opportunity to hold or stroke all of the creatures. They all behaved beautifully as always. Well done Kipper class!

Attendance

YR6 Skellig	96.14%
YR3 Paddington	96.12%
YR2 Tarzan	95.94%
YR5 Auggie	94.78%
YR1 Horton	94.74%
YR2 Tiddler	94.66%

House Points Weekly Total

Asher-Smith	891
Kenny	850
Rashford	832
Murray	807

Autumn Term House Winners

Congratulations to all the children in ASHER-SMITH house who have ended the term with the highest number of house points and whose colours will fly on the special house cup throughout the spring term. Children can earn house points throughout the day by doing the right thing, trying their hardest, being kind and helpful and completing amazing home learning. Our House Captains in Year 6 keep the children motivated and we know that Rudy is going to be super proud of all his yellow team for collecting so many points this term.

Small group tuition

We are so happy to have welcomed Mrs Stewart back into school to deliver small group tuition for one day each week. In total, 95 children from Year 2 to Year 6 will be receiving at least 15 hours of small group tuition this year from our teaching staff as part of our covid catch-up plan. Our children are extremely settled in school and making super progress in their learning, well done everyone.

Well-being tab on School Website

Please note that under the ‘parents and community’ section of our school website, there is now a new tab named ‘well-being.’ This signposts parents and carers to a number of resources and agencies who can provide support for children and adults.

It’s not too late to get involved in our well-being ‘Change Group’ run by Miss Hogger – she would love to work with some new and different parents. Just make yourself known to her!
