Year 5 First Aid Training

Before half term, Year 5 enjoyed a half day of first aid training with Fab First Aid. Ayva Wilson-Boyle told us all about it:

“We learned CPR which you need to know if someone is in cardiac arrest or their heart is pumping slowly. We also learned what defibrillators are and how to use them. We used a fake one but we have a real one in school. My favourite bit was when we sang the chant, “push, push pump the heart, push, push, pump the heart, that’s what C.P.R is.”

First aid is such an important life skill and our children like to be the very best citizens they can. Year 5 have had an incredible year so far and have lots to look forward to this half term including a special Children’s University graduation and Brilliant Club graduation also. More details to follow in due course.

Well done Year 5.

Year 4 have been creating roman mosaics and just before half term they got to grout their designs. We are really looking forward to seeing how the finished products come out.

Class Photograph Day

Wednesday 15th June

Class photographs will take place this year on Wednesday 15th June. Good to plan in those haircuts in plenty of time! (That was aimed at the teachers.)

Jubilee Day

Friday 10th June 2022

Hopefully you all had a wonderful half term week and enjoyed a jubilee celebration or two!

Don't forget that this Friday 10th June we are having our school Jubilee Day. This is a no school uniform day and children are invited to wear red, white and blue and accessorize away Platinum-Jubilee style!

You will have received a letter about the special street party food Emma is preparing on the day.

Weather permitting, we will be eating outside with staff joining the children. Teachers and support staff have arranged a fun day of jubilee themed activities in classes and hopefully we can all have a lovely, happy day.

You can follow the school on our website and social networking pages:
