Last day of term –

11am Year 6 Leavers' Assembly

2pm finish – FS1 to Year 5

Holiday Planning in Year 6

Year 6 Kensuke have been working together to plan and budget their annual summer holiday. Always a fun job! We wonder where they all decided to go. It's going to be a busy last few weeks for Year 6. Many of them have their secondary school transition days coming up this week and next week. We have a Year 6 prom planned for this Friday and we're all looking forward to seeing this year's outfits. Somehow they usually manage to look about ten years older on prom night! We hope the children are enjoying the final days of their primary school experience.

Holiday Payments and Free School Meals

The government and the council have announced new targeted summer holiday payments for children who qualify for free school meals (FSM) and this has now been extended to children under the age of 4. If your circumstances have changed or you feel that you might be eligible, please contact Julie Wells in the school office or speak with Caroline. It is really important that we have an accurate register of all families who may be entitled to these extra payments.

Remember that ALL children in FS2, Year 1 and Year 2 are entitled to universal free school meals, but this is different from FSM which depends on certain benefits or nil recourse.

You can follow the school in the following ways:

Murray	721
Rashford	719
Asher-Smith	718

Special commendation from the school office:

Rudy Finch and **Lucia Dumfeh** for always being so helpful and well organised

Parent/Carer Surveys

Return by Monday 4th July

Thank you to everyone who has completed and returned their parent/carer survey. We'll let you know how many returns we receive in total and some of the headlines once they have been collated. We really appreciate the encouraging comments and always pass on your appreciation to individual members of staff where they are named.

Year 4 visit the Clip and Climb

Year 4 had a great time on Friday at the Sutcliffe Park Clip and Climb. Climbing is such a great way to exercise both physically and mentally and this is a great resource on our doorstep. Well done to all the children for giving it their best, facing their fears and scaling some very impressive heights.
