Last day of term

### A Farewell to Jane

Did you know that our lovely Jane will soon be retiring??

We will be celebrating with her later this term but as her final day approaches, she has been enjoying some wonderful surprise visitors and well wishes from children and parents.

Jane has been working at Middle Park for almost 20 years and involved with the school for longer than that as both her own children attended and she was always an active parent. It was fun to see the old gang back together last week for a trip down memory lane!

We all wish Jane well and send her all our love and thanks. Monday will be her last day in the school office.

### Christmas Diary Dates

Please see above a lot of the relevant dates for Christmas events including Nativity performances by FS2 and Year 2, activity mornings and party day. We also have some exciting trips coming up including Year 3 visiting the Wishmas experience. Further information will follow in due course but please make a note in your diaries now so nothing is missed.

## Current Affairs

Every week we all watch Newsround together so we're up-to-date with current affairs. Last week we learned about Storm Ciaran that swept in the next day, we saw how oysters are being reintroduced into The Solent and thought about actions people take to help reduce climate change. The world is full of wonder! And a hundred different jobs that we might want to do when we're older.

## Science Club

Science Club had a great time last week exploring lava lamps, (well, lava cups really.) There are so many exciting jobs and professions available for people who love science and have the qualities of a great scientist.

### Poppy Appeal

**We have poppies for sale in the school office and other poppy appeal merchandise for various prices. Pop in to get yours for 2023.**
