Year 5 visit the Greenwich Peninsular and Cable Car

Year 5 had a great day at the o2 and cable car. They were closely observing mechanisms for their DT topic and spotting sculptures along The Line sculpture trail.

If you haven't been down to the peninsular for a while, it's a great place for a walk along the river with plenty of art and culture to keep you entertained. The cable car takes you across to the Royal Docks where you can visit the Excel Centre and watch the planes taking off and landing at London City Airport. Along the south side of the river, you can walk along to the Ecology Park with various waterfowl and hides you can birdwatch from. Add to that plenty of play areas and opportunities for parkour and you'll find it's a nice way to spend an afternoon.

Year 4 times tables meeting for parents/carers on Wed 20th March 3.30pm

We're looking forward to seeing lots of Year 4 parents and carers after school on Wednesday. Please come along to the bottom hall with your children to hear more about all the ways that the children are learning their times tables.

FS2 visit Godstone Farm

FS2 had a fantastic day at Godstone Farm. The weather forecast was relentless rain but it didn't dampen anyone's spirits. We had a series of 'meet-the-animals' experiences and fed some of our favourites, including the pigs. We also had a fun session in the play barn and got to try out some of the farm-themed challenges.

The children were all brilliant and a big thank you to all the parents and carers who came along to help out.

Year 6 cooking sessions at the Community Centre

A huge thank you to Scott and Paula at the Community Centre for offering to host our Year 6 classes as they turn their street food menu designs into reality. We're looking forward to the tasting sessions!

Fourth Plinth Competition

Our Art Club have created entries for this year's fourth plinth competition. Look out for further details coming soon!
