Moneysense Week

Open house for parents/carers – Wednesday 27th March 3.30pm to 4.30pm

This week, teachers have planned a special 'Moneysense' week in school, with children learning explicitly about everything to do with money. This includes coins and notes, values, budgeting, saving, keeping money safe online and general healthy financial management. This has become an important area to cover thoroughly, as some young people now rarely handle cash and increasingly manage their finances electronically. Mrs. Findley has led the planning of the week and children in every year group will focus on age-appropriate learning.

As part of Moneysense week, we have organised an 'open house' for parents and carers on Wednesday 27th March, between 3.30pm and 4.30pm. All staff including class teachers and teaching assistants will be in their classrooms and parents are invited to come and visit their child's classroom to see how they have been learning about money. It will also be a great opportunity to catch up with your child's class teacher and TA on an informal basis.

The school will be open and you are all invited to make your way straight to the relevant classrooms with your children.

We hope to see lots of you on Wednesday and hope you find it interesting to think about all things MONEY!! ££££

But we can definitely spell it correctly when the time comes!!!!

A fun week of learning

Lots of our children were out and about enjoying the start of spring last week.

Year 2 had a great time at Eltham Palace where they explored the house and great hall, dressed up in Tudor outfits and immersed themselves in the luxury of an art-deco party pad. It was lovely to spend a bit of time in the park on the way back. Well done Year 2.

Year 6 put their cooking skills to the test. After researching on-the-go snacks and creating their own recipes, they headed to the community centre to make Mexican Quesadillas. "We can confirm that they were delicious!" Thanks so much to Scott and Paula for hosting us!

And we welcomed art historian Helen from Magic Lantern who led workshops in several classes that brought stories to life through paintings, sculpture and artefacts.
