World Book Day

We are not planning to dress up this year for World Book Day but we will be enjoying lots of activities in school around books and stories. Children are invited to bring in a favourite book this Thursday to share with their class.

Year 6 Street Food Fest

Year 6 Andromeda had their own mini food festival in DT. They are thinking about how people can stay healthy with a busy lifestyle this half term, and we wanted to research what on-the-go products that currently exist before designing and making our own.

It was great to try out some new taste sensations (for many of us) including samosas and onion bhajis. And we're ready to start getting creative with our own food masterpieces.

New rockery

We are so happy with our developing rockery and planting around the wildlife pond.

First aid training in Year 5

Last week, Year 5 had first aid training in school. We highly value this as an important life skill and you are never too young to learn the basics. The children always really enjoy the day.
