### Creative Expression

Talking of creative expression - forget the Met Gala. Year 5 was the place to be last week as the designers and supermodels of the future paraded their recycled creations for 2024 down the catwalk. The children had been researching and studying eco-fashion in DT. They looked at the themes: reuse, reduce and recycle. They learnt the skills of sewing (cross-stitch and blanket) and used these skills whilst making Brazilian themed carnival outfits. Check out our social media for photos and videos and well done Year 5.

### It's all about you!!

It's all about this little bunch of beauties this week as Year 6 tackle their KS2 SATs week. We are so proud of every one of them. They have always worked hard and tried hard and they have got themselves into a position where they are ready for secondary school. This week we are all here to support them and we know they will all do themselves proud.

**Be confident Year 6 and go SMASH IT!**
