### Wildlife Update

Things are hotting up in school and we are EXCITED. Somehow, our great tit mother seems to be nurturing *seven* chicks ready for fledging – they are all still alive and thriving and looking close to taking their leaps. It has been very different from the blue tit nesting season. The female bird seems to have done a lot more than the male bird, although he has been in and out occasionally. The local magazine, SENine, came in to cover the story and hear from some of our children who are fast becoming ornithological experts. Look out for the June edition to see that. We are also tracking our dragonfly nymphs who are living their best lives in our new school pond. They can often be seen swimming around or sunbathing near the surface. They seem to be eating the mosquito larvae and we are proud to have introduced a new food chain and extended the biodiversity of our school.

### Singing Spectacular at Blackheath Concert Halls

🎵 Get on your feet 🎵 - what a fantastic evening at the 2024 Singing Spectacular celebration at Blackheath Concert Halls. We are SO proud of our wonderful children who sang their hearts out and harmonised perfectly. Great to see so many of our brilliant parents and carers and thanks for coming along to make sure we had such a big cheer. 🌟

## Community Sports Day at Sutcliffe Park

What an amazing morning our children had this week down at Sutcliffe Park. They got to meet local hero Daryll Neita who is a double bronze medal winning Olympic athlete. Our children were incredible and demonstrated their raw talent – inspired by meeting and working with Daryll. Special mention for Demi who was ridiculous with her performances – winning every single race she entered, winning the javelin and winning overall. She was singled out and noticed by all the organisers and Daryll herself.

But the rest of our team also held their own and performed brilliantly. We really appreciated Caroline and Scott for taking the children as so many staff were tied up with SATs. We're so glad we didn't miss out.

Well done everyone.
