Ermis Travel

Well what an exciting week! We were so sad that our parents and carers couldn't join us on Friday afternoon for our celebration parade, but the rotten weather didn't give our new friends enough time to set up and coordinate the event with our newly twinned town of Weevillania.

Each of our year groups was added to a special committee and we all came together in our colourful costumes. Year 4 performed the most wonderful year-group dance and Year 5 blew us away with their special song. Every single child contributed to the whole school bunting that was raised in tandem with our newly twinned town and our new friendships were set.

Well done to all our children who had fun and told our new friends all about our culture. They learned a lot from us.

An exciting week for our great tits.

How it started vs how it's going. 8 eggs become 7 hungry mouths in one week. We are already noticing differences between the great tits and blue tits, with the male bird much less active this year and the female bird singing away and giving her chicks a very early music lesson! We are all hooked and enjoying all the twists and turns already.

A week of trips and adventures

Both Year 1 classes have now visited Woodlands Farm in Spring and we definitely fancy ourselves as urban farmers!

Year 3 had a great day at the Horniman Museum, such an exciting place full of surprises.

Choir – Singing Spectacular Friday 10th May 6.30pm to 8.30pm

We are really excited that our choir will be performing this Friday at Blackheath Concert Halls. Children will attend rehearsals during the day and parents/carers should bring their child to the Concert Halls at 6pm where staff will greet them. Can't wait to see you all in action!
