Cookery Club

Last week our cooking club prepared and tasted yummy bruschetta. They were so skilful and sensible with their chopping techniques and there wasn't a dry eye in the house as they sliced through their onions. It wasn't for everyone but well done to all for being adventurous and having a taste.

Class Photograph Day

This Wednesday we will be having our class photograph day with group shots of every class throughout the school.

Please remember to brush your hair and iron your socks! (That was aimed at the staff. Our children are effortlessly photogenic.)

Whole School Focus – Summer II

This half term we have been starting to think about the Olympics and Paralympics that will be taking place this summer. We are learning about the importance of the Olympic values and thinking about when we demonstrate them in school and in our lives. We will soon be having a focus fortnight with classes learning about countries, sports and sportsmen and women as well as some fun workshops due to take place in school.

We have also been thinking about British values and what characterises the modern Britain that we live in. The children will be hearing about the general election in July and learning about democracy as a concept and practice.

It's all very meaty and interesting!

Scout the Reading Dog

We do love welcoming Scout into school and reading to her. As you can see, she is pretty relaxed in our story sessions!

Do the Right Thing Awards 2024

We are so excited to announce that our two nominations for a 'Do the Right Thing Award' have been shortlisted! Well done to Tarek Al Mousali and Elsie Levy. We are looking forward to seeing you at the special awards evening at the Town Hall on Friday 28th June.

In other exciting news, after our choir's amazing performance at Blackheath Concert Hall we were contacted and asked whether they would perform again at the Do the Right Thing Awards. Of course we said a big yes!

What an exciting evening it is going to be with so much Middle Park awesomeness to celebrate.
