Year 5 visit the Migration Museum

“Year 5 had such an amazing workshop and tour at The Migration Museum. We learned lots about how the NHS was formed and how many people of different races and cultures contributed in this area.

It was fun galore!”

The Migration Museum is a free-admission museum in Lewisham Shopping Centre and explores how the movement of people to and from the UK across the ages has made us who we are – as individuals and as a nation. Year 5 would highly recommend it as a great place to visit.

Sister Act – Year 6 production

Look out for information coming out to Year 6 parents and carers about this year's production – Sister Act. There will be an afternoon and an evening performance (dates and times above.). Tickets will cost £2 each and will be limited to 2 tickets per family so we can squeeze you all in!

We are so excited to see our talented Year 6 in action.

Sports Day 2024

What a wonderful day of sport! We are so grateful to Harris Greenwich for organising such a brilliant sports day for us. We got to run, jump, throw and cheer each other on. Highlights included the very special 400 metre challenge for Years 5 and 6, with Isaac and Harley as our fastest boys and Rubie and Beaux as our fastest girls.

Well done also to our brave staff who offered to take part in the always competitive staff race.

One of our favourite things about sports day is seeing our previous students in action as junior sports leaders. Great to see you all. Huge well done everyone. What a joyful day.
