Secondary Transfer

It was great to see so many Year 6 parents and carers last week to hear about secondary transfer and what you need to do. The information covered will also be sent out in a letter. Remember to check the individual websites of each secondary school for specific dates and requirements. We highly recommend that you view schools with your child and that if you can, you go during school time so you see and feel the school environment with the students in. We are very fortunate to be surrounded by many extremely good secondary schools and they are all different. The key is to match the school to the child.

We have two sessions at 1pm on 10th October and 9am on 17th October in school with Beccy and Caroline who can provide any support you need, including technical support with the application form. Come and talk to us at any time if you are unsure of anything.

Modern British Values

This half term we are having an explicit focus on modern British values and the children have been thinking about DEMOCRACY. There is an excited buzz around the school as children start to put themselves forward for leadership roles including school council, prefects and subject ambassadors. Our school council were voted in DEMOCRATICALLY by their class mates and this week, we will have panel interviews for our Head Girl and Head Boy roles. Good luck everyone!

Smoking considerably

Dear smokers of Middle Park. Could we make a plea that you have your smokes right away from the school gates please so that children and families do not have to walk through the fumes?? We would be most grateful for your consideration.

After-school clubs

Information will come out this week about after-school clubs that will run over 8 weeks this term for years 2 to 6. Make sure your app is working effectively so you are able to sign up your children when the time comes.
