## Head Girl/Head Boy presentations

We are always proud of our children but some days they just make you want to burst! Huge well done to the nine brave children who presented to a special panel to pitch themselves for the roles of head girl/boy. There were lots of nerves and you were all extremely brave to face your fears and present thoughtfully and confidently.

Results will be announced on Monday morning but every one of you should feel proud: Isaac, David, Daniel, Tyler, Alyssa, Khaira, Hanaa, Kenya and Milana.

Special mention to panel member Martin who gave each candidate a good grilling with his excellent questions. Would you want to face that raised eyebrow???

Year 5 have been inspired by Ken Done to sketch the London skyline. So many of our children describe art as one of their favourite things about school. We should definitely do more of it then!!

**CAN YOU HELLP US??** We are planning a whole-school poppy installation this year to mark remembrance day in November. We would like to collect any recycled bottles that have a flower-shaped base so that we have one for every child. Please send in any washed and dried empty bottles to your child's class teacher. It would really help us if you could cut the bottom off to about one inch and send them in. Be careful of any sharp edges though! Thank you.
