### Year 3 visit the Science Museum

Thanks to all the lovely parents who came along and helped on the day as Year 3 made their way across to the Science Museum. We really enjoyed the workshop and got to explore the museum, particularly enjoying the section on 'flight' following our topic last year.

What makes a good scientist?? Being curious. Asking lots of questions. Taking risks. Thinking outside the box.

### Year 5 visit the Prince Phillip Maritime Collection Centre

Year 5 had an amazing time at The Prince Philip Maritime Museum last week. The focus was Geography. Children learned about longitudinal and latitudinal lines and were able to draw this onto an orange. This was quite remarkable! They explored the Centre and learned interesting facts about old and current maps. What an amazing resource in our borough.

### Football Boots Winner
