Year 1 trip in the local area

Cloud-dodging Year 1 Acanthis walked to the donkey fields last week using their map reading skills to get from Middle Park to Eltham Palace. They were also spotting all the human and physical features on the way. Young geographers in action.

FS2 reading workshop for parents/carers

It was a great turnout for our FS2 reading workshop for parents last week. Lots of parents and carers who are keen to support their children as they learn to read. This is going to be an exciting year of progress! Thanks to Miss Davis.

Clubs Begin

It was lovely to see so many children in our after-school clubs last week as well as a full house in the Year 6 morning boosters. A reminder that children in Musical Theatre should now commit to the same club for two terms so that they are ready for their performance in the spring term. If previous shows are anything to go by - It will definitely be worth the wait.

School Council - message from Mrs Lewis

"We had a blast in our first official school council meeting last Friday. These guys are so ready to take on Middle Park and our community. We discussed expectations, roles and responsibilities, which they are certainly taking very seriously. Have a look on our school website or Facebook page to see our school leaders in full discussion... thinking about burning ideas for our school.
