Solihul Project

We are very excited to be starting our Solihul Project this Tuesday, which will be jointly led, by Mrs Specht and our lovely friend to the school, Debbi Holland from the Children's Centre.

This is a course that is open to parents/carers in the lower phase (FS1, FS2, Year 1 and Year 2) and it is a fascinating look at child development, understanding how our children learn and grow and what makes them tick.

It will be a very informal set up and we will all be learning together, so no lectures from us!

Sessions will take place over 10 weeks on a Tuesday afternoon between 1pm and 3pm. There are only a couple of spaces left, so if you would be interested in joining the group, please contact Mrs Specht either in-person or by email on support@middlepark.co.uk.

Year 6 visit Chislehurst Caves

Year 6 Perseus had a great day visiting Chislehurst Caves as part of their topic on World War II. Did you know that people took shelter in the caves during the Blitz? It almost became a small town down there with postcodes and concerts including a performance by the Rolling Stones. It was incredible to imagine how local people were affected during the war.

Tasting Sessions

Thanks to Vicky and Stella from Chartwells who came in for a taster session last week to hear the views of some of our children. The children were able to taste some possible recipes that will go onto the menu in the future. They gave a lot of useful feedback and enjoyed the responsibility and the opportunity.

Think about how many exciting opportunities there are for a future in the catering sector. You could design menus, try out new recipes and even become a food critic, reviewing other people's cooking. We think Luca would be very good that that job!

We wanted the children to articulate their opinions clearly and they did so very well.
