### Exciting Developments in Reading

We have all been getting super-excited in school about lots of new initiatives and developments in all things BOOKS and READING. Miss Davis kicked off the week with a wonderful assembly and introduced us to our Year 6 Reading Ambassadors who were able to give us all some recommendations. You may have noticed our new outdoor reading area that was set up, thanks to Brian for that. We are also very lucky to have a book vending machine in the bottom hall, where children can win a book. We really want to encourage the children to share their love of reading, to talk about books and recommend them to one another. If staff spot children who are talking about their reading a lot – they may win a token for the vending machine!

The reading newsletter will be out soon with more recommendations, and we are excited that in a couple of weeks we will be having a book fair that is COMPLETELY FREE with all children able to choose two books to take home and keep.

So much to look forward to and a BIG thank you to Miss Davis for creating all these opportunities for us.

## Solihul Project Postponed

Unfortunately, due to parent drop-out rates we have had to postpone the Solihul Project until after Christmas. Mrs Specht will send out more information in due course, but we do highly recommend the course. There is such an evolving understanding of child development and it is fascinating to learn more about it.

## Nativity Season

You will see from the diary dates that our FS2 and Year 2 Nativity performances are coming up. Performances will take place in the bottom hall with spaces limited to two per family please. The songs are starting to ring around the school and we are excited for the Christmas creep to become a full avalanche!
