 Last day of the half term

### Solihul Approach Training - message from Mrs. Specht

It was so lovely to welcome parents and carers to the Solihull coffee morning last Thursday to find out more information about what is on offer this term. The Solihul Approach is a research-based project that supports the emotional health and wellbeing of children and their families. Through Solihul, parents can access a wide range of courses online, and in school we will be running **a 9-week face-to-face course** in partnership with Debbie Holland. This will take place on a Tuesday morning from 9am to 11.30am starting on Tuesday 28<sup>th</sup> January. Look out for the email this week and sign up by contacting the school office. We really think this is going to be a fun and informative opportunity and hope to see lots of you there. Any questions, please come and speak to me.

### Science in Year 5

Year 5 have been investigating thermal insulators and conductors this week thinking about the 3 different variables - their challenge was to find the best material to keep their teacher's drink warm.

*What material would you use to insulate a cup?  
 Would the same material help to keep the liquid cool as well as warm?*

Be curious. Ask questions like a scientist.

## Attendance

YR4 Medusa	96.4%
YR3 Chimera	96.4%
YR6 Perseus	95.6%
YR6 Andromeda	95.0%
YR1 Plutus	94.9%
YR3 Siren	94.6%

## After-school clubs

Well done to everyone who signed up for an after-school club. We really appreciate that our teachers always offer a club every term and they are a great opportunity to try out a new enrichment activity. Don't forget that all clubs and morning boosters start from this week.

***CANCELLED CLUBS – Unfortunately, Book Club and British Sign Language Club in UKS2 did not have enough take-up and are not viable to run.***

Clubs will dismiss from the following places:

**TUESDAY:** All clubs from the car park entrance

**WEDNESDAY:** Games Club from FS2 Apollo, History Detectives from Year 2 Terpsichore, Football Club from the car park entrance

**THURSDAY:** All clubs from the car park entrance

## Measuring Worms in FS2

How long is your worm? 🪲!!! FS2 Artemis have had the most fun measuring worms.

Some were super wriggly and wouldn't cooperate! We also found 'Black witches jelly' fungus!!! Yikes!

It's a bit like height and weight checks with a difference.
