## Science Week

Last week we had science week in school, and we all really enjoyed exploring, investigation, questioning, researching and being curious. Each day we were set a question that we had to reflect on. For example, do the tallest people have the largest feet?? What do you think the answer to that would be??

Our Science Squad were out in the playground each day, challenging children to more questions and challenges.

On Thursday, we had the Science Wizards in school who demonstrated some strange and wonderful scientific facts.

We have lots of great scientists at Middle Park and we hope that we will have plenty of pupils going on to study science subjects at university.

**Don't forget to book your Parents Evening appointment with the school office for the 26<sup>th</sup> March or 2<sup>nd</sup> April**

### Year 3 visit Leeds Castle

Year 3 had a brilliant day at Leeds Castle. The sun was shining and they enjoyed a special workshop about owls and explored the gardens and house.

### Year 5 visit the Cable Car

And Year 5 had a wonderful time in North Greenwich on the cable car. They took in the sights and wonders, looking in detail at how cable cars move from A to B. This is something that they will be investigating further in their DT lessons this term.
