Year 2 visit Eltham Palace

Year 2 had a lovely time at Eltham Palace. The children explored the Palace from top to bottom and loved trying on all the clothes. Being in the great hall was an amazing experience and playing in the park was a brilliant way to end the day.

Photographers in FS2 Apollo

In FS2 Apollo, we recently watched an episode of Pink Panther, where he uses a film camera to take pictures. Intrigued by this "old fashioned" device that the children have not seen before, they asked if Miss Parody could bring one in... Low and behold! They had a good ol' explore of it, feeling the difference in its weight and the complexity of winding the camera up and pressing a button, just to take one picture.

Imagine that!

Namaste! Year 6 Andromeda are feeling very zen this week as we have been perfecting our yoga positions and creating small routines. Can you spot the poses we have been practising?

Ofsted reflections

We enjoyed a little additional publicity this week when our school Ofsted report featured very positively in the New Shopper. Nice to see Scout the reading dog as our poster boy! We are grateful for all the comments and congratulation from parents and carers, always much appreciated.

ATD – Encyclopaedia Britannica information

We are looking forward to seeing lots of you on Wednesday for the after-school parent/teacher meetings. If you could spare an extra five minutes, please come along to the bottom hall where Mrs Adams will set up an information session about the encyclopaedia that the school subscribes to that you can access for free. Additionally, Year 6 parents are invited in to the spare Yr 6 classroom where your child can show you their progress on Reading Plus.
