Year 4 School Journey

What an amazing school journey! We don't think we've ever hit 30 degrees on an April trip and Year 4 made the most of it, throwing themselves into every activity, learning about themselves and developing their team-building skills. Activities ranged from the zip line, sensory trail, archery and lots of team building challenges and activities. The children were INCREDIBLE. Well done for being big and brave, for taking the opportunity and embarking on a brilliant adventure.

A huge thank you to the staff who attended and gave the children such a memorable time: Mr Lawrence, Miss Johnson, Robbie, Claire and Julie. Always appreciated and never taken for granted.

Well done Year 4.

Science in Year 6

Year 6 have been exploring light and how we see. They created their own models to explain the learning; showing how a light ray travels in a straight line from the light source and back to our eye. We also explored how our pupils react in different lights - so cool.

VE Day

Don't forget VE Day this Thursday! This will be a no uniform day with children invited to bring in £1 and wear red, white and blue for the day.

Hatched eggs

We have six great tit chicks after our eggs hatched last week. The parent birds have been so busy feeding their babies and the children are really enjoying the spectacle. Fingers crossed they all make it and we can send out six new birds into the world.

ParentPay
