After-school clubs

Our children are really enjoying their after-school clubs this term and we're grateful to the teaching and support staff who are offering such a unique combination of opportunities. Who knew that making friendship bracelets would become the new school trend in 2025?

Amongst our children we have artists, sportspeople, scientists, authors, poets, mathematicians, designers, engineers.... You name it. The future workplace is going to look very different and we focus on the sage advice that if you can find a job that you love, you'll never work a day in your life.

Harvest Festival

Thanks to all our families for the generous donations to this year's harvest festival. We have been celebrating all week in school and giving thanks for what we have. We will make sure that donations go to those in need and we know they will make a difference.

First Access Music

Year 3 love their weekly music sessions with the Music Hub, and we love the sound of music coming from rooms all over the school with guitar lessons and band practice well underway. We plan to arrange some showcase assemblies for parents later in the year.

Do the Right Thing Awards 2025

Congratulations to our star pupil who was awarded a special 'Do the Right Thing' award at the Town Hall on Friday evening. He has been recognised for his resilience and courage and we are all very proud of him.

Year 4 school journey meeting for parents/carers

This Wednesday at 5pm, we have an information evening for Year 4 parents and carers to find out all about the residential school journey later this year. We look forward to seeing lots of you there, and Mr Drury, Mrs Robinson and Mr Ball will tell you everything you need to know. The session will take place in the bottom hall so please come along to the car park entrance just before 5pm.
