Staff Changes

Next half term, three of our early career teachers will be spending the half term in a different school in order to experience a separate setting. This will mean that Mrs Robinson, Mr Franklin and Miss Williams will not be at Middle Park for six weeks.

We will instead be welcoming two new members of teaching staff for the half term:

- **Miss Wilkin** will be teaching Year 1 Acanthis
- **Miss Parker** will be teaching Year 2 Terpischore

Miss Wilkin and Miss Parker have both been into school and have met with the children and staff. We look forward to welcoming them to Middle Park and supporting them through the half term.

Mrs Robinson, Miss Williams and Mr Franklin will all be back on Monday 23rd February for the rest of the academic year.

Assistive Technology at Middle Park

Well done to Miss Evans, Mrs Parody and our super-cool Tech Team who led a Governor Focus Visit on Assistive tech. Leaders explained all the different types of assistive tech that we have in school and they visited classes to see some of the initiative in action. Following that, member of our pupil Tech Team came down to share their experiences and show them how the tech supports their learning and wellbeing. Governors were super impressed to see how much we do and how well the children could talk about it and demonstrate it.

Year 3 Siren sing at the Community Centre

Well done to Miss Siejok and Year 3 Siren who brought some festive cheer to the pensioners' Christmas lunch at the Community Centre and sang some carols. Our pensioner friends really enjoyed and appreciated the performance.

Christmas Celebrations

What a fun-filled week! We have been getting very excited about Christmas in school and celebrating the season in style.

Well done to FS2 and Year 2 who performed wonderful Nativities to their parents, carers and families. All the performances were filled with joy; great singing, dancing, acting and narrating. You all did yourselves proud and I know you have given your families memories they will never forget.

We had our Christmas jumper day and our special lunch in school served by Hannah and her team. We took the opportunity to thank them for feeding us well throughout the year. We appreciate them very much.

As is traditional, we did some fundraising at our special events and we raised money for Pets as Therapy. We have benefited from Scout the Reading Dog for a number of years and the charity supports lots of people in various circumstances through the magic of animals. In total, we have sent a donation of £575
