When your self-portrait is a bit too accurate!

We think this little Year 4 artist could easily have a career in animation, illustration or design.

A message of thanks from Scout

Scout the Reading Dog would like to say a huge thank you to all the parents and carers who contributed to our fundraising for her charity, Pets as Therapy. Pets as Therapy provide comfort, companionship and joy to thousands of people who might be going through a difficult time. Scout is going to be leaving us later this term, but she has certainly brought a lot of all those things to Middle Park children. Thank you everyone.

Whole-school inclusion

It was a busier than usual week last week as we welcomed several visitors in to school including 25 Dutch school leaders and representatives from a social enterprise company interested in supporting children with limited English. The focus for both visits is how as a whole-school you can be inclusive and meet the needs of a wide range of pupils. They saw some exceptional quality-first teaching, embedded assistive technology and commented on the wonderful relationships between children and between staff and children. It's nice to put on a show sometimes and we are so proud of our school. Well done to everyone.
