Life and Times in Key Stage One

Year 1 have been working well together on maths investigations this week. We are so proud of all our children in Key Stage One who have adapted brilliantly to some different staff teaching them this half term. They have really shown resilience and maturity. We are all looking forward to Mr Franklin and Miss Williams being back after half term and we want to say thank you and well done to Miss Parker and Miss Wilkin who have both been brilliant. We wish you both all the very best for the future.

Cricket Team to play at Lord's this week

It is a big day this Thursday for our school cricket team who have qualified for the London Finals and will be playing cricket at Lord's. We will be thinking of you all. Good luck - support one another - smash it out of the park. Middle Park rocks.

Farewell to Katie

It will be an emotional one this week as we say farewell to our wonderful Katie. Katie is a much-loved TA and learning mentor who means so much to so many of our children and staff. She has gone from being a pupil in the school what feels like ten minutes ago to a wise, talented, strong, confident young woman who is launching herself into a new chapter as a finance manager. Everyone loves Katie and we will miss her, but we are also super-proud of her achievements. Wishing you lots of luck and happiness in everything you do Katie.

Enhanced Partnership with Eltham College

We have recently met with leaders from Eltham College to consider ways to evolve our partnership with them. We already host students from the College, and they are keen to share some of their wonderful resources and expertise with our children. This week, Year 5 and Year 6 walked across to the College to visit their art gallery and enjoy a workshop all about the art of Georgia O'Keefe. The children were curious, creative and respectful of the gallery and made many thoughtful observations and questions. They had a go at creating their own artworks using inks, pastels and paint. It was a really enjoyable experience and we hope to be doing much more with our new friends over the coming months and years.
