Last day of term

School resumes

Dodgeball Experience

Our children had a great time last week at a Dodgeball Tournament. They definitely gave 100% and ended up coming second in the tournament overall – even beating the winners on their way through. So much fun.

Thanks to our handy lads who have been building planting troughs with Mrs Plume this week. They are looking great and we can't wait to see them in bloom!

Bishara Abdelrahman, Evie Coombs, Ada Kryeziu, Oscar Harris

Reading Plus commendations this week:

These Year 6 children have made a fantastic effort with their reading and have moved up a level. We are so proud - the levels are getting harder and harder!!!

Rais Gambo two awards (Go Rais - Amazing!!), Scarlett Odogwu-Riobo, Ruby Crane, Davi Santos

What a fantastic prize for our winning girls' football team who won the CAFC girls' football tournament earlier this month. Our girls were announced at The Valley and represented the school as the guard of honour, standing either side of the players as they ran out on the pitch.

And in even better news – Charlton won 1-0!

We must be lucky for them.

Well done girls and thanks to all the parents who took them along for this great opportunity.
