Friday 27th March

Year 3 to Greenwich Park

Monday 13th April

Year 5 Castalia to Blackheath Concert Halls

Last day of term

School resumes

Girls' Football Team Triumphs!

Fantastic news! Last week our girls' football team took part in a tournament with Charlton Athletic Football Club. We were all on tenterhooks when the news came through that the girls had reached the final and were facing St. Patricks School. The girls ran their hearts out for the school and played brilliantly - two goals from Daisy and two goals from Jenni - we won the final 4-1 and were champions of the whole tournament!

As part of their prize, all nine girls were invited to the Charlton v Birmingham match on Saturday afternoon where they would be announced and form the guard of honour as the players came out. We can't wait to hear more about that.

It such a great achievement and thanks to the girls for giving us all something to cheer about.

Spring is around the corner

The excitement begins as a pair of great tits have been popping in and out of the nesting box and starting to furnish their new home ready for the 2026 nesting season. Will this ever get boring?? Well, not for me.

Attendance

YR4 Medusa	99.0%
YR4 Hera	97.8%
YR1 Plutus	97.2%
YR2 Helios	96.0%
YR5 Castalia	95.6%
YR6 Perseus	94.1%

Reading Plus commendations this week:
Cheikh Gambo and Scarlett Odogwu-Riobo

World Book Day 2026

What a wonderful day we had on Friday celebrating The National Year of Reading. It was fun to see all the children dressed up so creatively – well done parents and carers!

Science in Year 3

Did you know that all muscles work in pairs? And when one muscle relaxes, its partner contracts? Did you also know that muscles only pull? Year 3 Chimera have been getting to grips with this knowledge by building a working arm model and using elastic bands to show the relationship between the two working muscles. Isn't science a wonderful thing? Well done Chimera.
