Last day of term 2pm finish

First day of the new school year

Thank you for all your support last week with the Hot Hot weather! The children were all fantastic, they were calm and managed the changes we made to the day really well. We never want to cancel trips or events, but we really had no choice last week. We have been able to reschedule FS2 sports day to Thursday 2nd July.

There has been a slight change to the Year 6 production to parents, as rehearsal time last week was reduced. The day time performance is now on the afternoon of Wednesday 8th July. Information about tickets for the production will be sent out soon.

Attendance

YR1 Acanthis	92.5%
YR6 Andromeda	86.2%
YR3 Siren	85.0%

On Wednesday our Assistive Technology Team visited Charlton Football Ground. They were there for a technology convention and presented on some of the technologies that we use in school. Our staff delivered really clearly and our three children we just amazing. We are so proud of how effective at public speaking our children are. Well done for representing Middle Park so well.

Thank you to parents who attended Acanthis class assembly on Wednesday. We are so pleased the children had the opportunity to present their learning. The children were very excited to show how they can locate countries and cities on maps and globes. What great geographers we have! Children were also very creative and showed how to construct spiders. Well done, Acanthis!

After the disruptions last week, we are now back to normal. Please keep a look out for the golden cups displayed in class windows when a class has 100% attendance. There are just three weeks left of this academic year and every day and half day counts towards improving our school attendance.
