Book Gifting

Last week, children were able to pick two books to keep. Each term children have been able to extend their home library through this initiative with The Book Trust. Children will have been gifted 6 new books since September.

Amelia Smith in Year 6 explained "I really love the fact that we have days when we can get free books because sometimes books can be really expensive. It means a lot to me. I have a big library at home – about 100 books. I have read all the books and some of them twice! When you are reading a book for the first time it is exciting because you don't know what is going on. Then the second time you can pick up more details." What is your favourite book? "That is really tough I think Divergent." Happy reading everyone and thank you Miss Davis for the work you do with The Book Trust Charity.

There are so many trips this term and we are loving the fantastic enrichment opportunities we can offer. It is great to make learning come alive!

Leeds Castle is a firm favourite with our Year 3 children. They were impressed with the beautiful rooms and enjoyed meeting Logan the Barn Owl and talking to Eleanor the Queen of the Castle. Children were able to dress up and create some detailed art and craft work with clay.

Arundel 2026

During the half term break, 14 girls and 12 boys were able to attend the annual two night and three-day residential trips to Arundel. As well as playing cricket and receiving coaching, children were able to take part in Forest School activities, Yoga, visiting Arundel Castle and hiking. The children represented Middle Park so well. They impressed the staff and coaches from Arundel Cricket Foundation and Capital Kids Cricket. Both of these organisations heavily subsidise the trips, so a big thank you for inviting us again. Also, a big thank you to our staff who gave up some of their half term break to take the children. Well Done!

Year 5 Castalia had a fantastic time at the National Portrait Gallery. It was lovely for them to see famous portraits they have seen in books and online. Children were able to take part in a migration workshop linking storytelling through art to their current topic. Seeing the iconic Trafalgar square was a bonus!

This half term we will be celebrating different cultures through sport, dance, art and assemblies. On **Monday 15th June** we will have a whole school "Around the World" event day. Please keep an eye out for further information. Thank you for your support.
