WORLD KINDNESS DAY

Friday was World Kindness Day. We had lots of activities happening across the school to share random acts of kindness. Year 6 wrote letters to staff to thank them for their kindness. Year 4 wrote out cards saying 'You deserve a shout out'. So many kind things going around the school. As always, our children go the extra mile and make Middle Park just a wonderful place to be.

Now the days are shorter and we are heading into winter, we need to start thinking about how we are ensuring our children are always seen. Reflectors are a really great way to make sure they are seen.

For next week only, we will open the Tuck Shop again and our wonderful Travel Ambassadors will also be selling a variety of Brightkidz reflective goodies. There will be a selection of stick-ons, zip clips, danglers and clip on reflectors.

Prices will be between 60p - £2.

We look forward to seeing you all there, for our last Tuck Shop of this calendar year.

With the theme of World Kindness Day last Friday, we have been thinking about how we can be kind to those that are our nearest and dearest. Every year we raise money at this time of year for a local charity. Previously these have included Demelza Hospice, the Homeless Shelter, Greenwich and Bexley Hospice, to name but a few. This year we wanted to fundraise for someone a little bit closer to our hearts.

Elsie Levy left us in July 2024 to head off to secondary school. Before she left us she was undergoing tests for various debilitating conditions. Elsie was diagnosed with Charcot-Marie-Tooth disease. This is a rare and progressive genetic condition that affects the peripheral nerves, causing muscle weakness and wasting. Over time it can lead to wheelchair dependence, quadriplegia, respiratory complications and a shortened life expectancy. Elsie is now 13 years old and her condition has deteriorated, requiring a crutch or a walker and a wheelchair when she is really fatigued.

All donations made to our Christmas Jumper Day and to our nativities will go directly to Elsie's 'gofundme' page. If you would like to donate to Elsie's cause, you are able to do so by clicking on the following link

Whilst we are thinking about kindness and looking after our local community, we also wanted to make you aware of another family that we are going to actively fundraise for over the coming year. One of our own staff and their family, who are currently at Middle Park suffered the devastation of a house fire over the October half term. Imagine returning to your family home and nothing you own can be saved!

The family are safe but understandably are heartbroken about the loss. We would really like to offer support to one of our own families and we know that Middle Park is such a wonderful community, everyone will want to help. We will start by organising a fundraising day on Friday 27th November 2026. This day will be a Careers Day with a suggested donation of £2.

Children can come to school dressed in the outfit of the career they are hoping to have.

More information to follow, keep your eyes peeled!

ANTI SOCIAL AND INCONSIDERATE BEHAVIOUR

I have made a plea over previous newsletters regarding parking at the front of the school and smoking/vaping around the school gates.

If we were not based on the horse shoe, no one would even consider just either stopping in the middle of the road whilst people get out, or simply parking their car and bringing their children into school, leaving their car blocking the road. This is really inconsiderate of all the stake holders of our community and should not be happening. If this continues to happen, we will have to make contact with Royal Borough of Greenwich to support us with ending this behaviour. Everyone's child has a right to be in school and arrive on time. No one should be held up due to thoughtless parking.

Equally, every child should be able to enter our school gates and arrive at school without having to walk through the second-hand smoke or vapour mist from someone's cigarette or vape.

PLEASE BE CONSIDERATE OF OTHERS AND TREAT OTHERS AS YOU WOULD LIKE TO BE TREATED YOURSELF.
