Wednesday 16th December 2026	*Christmas Dinner and Christmas Jumper day*
Friday 18th December 2026	***Last day of term 2.00pm finish***

SCHOOL JOURNEY

During the last week of half term our Year 6's had their school journey to Osmington Bay. This was the first time we had been there and it did not disappoint. The children had an absolute blast. They tried lots of activities that were not in their typical day and they embraced all of it. They even got to spend the day on the beach, although it was a little windy and overcast!

We had some Year 6 that did not go to school journey. They have had their own adventures with a visit to the cinema, to Clip 'n' Climb and a McDonalds lunch treat. Little super stars.

Attendance

YR6 Perseus	99.7%
YR6 Andromeda	95.4%
YR4 Medusa	95.1%
YR2 Terpsichore	95.0%
YR1 Acanthis	91.7%

YEAR 5 MENTAL HEALTH WORKSHOP

Year 5 took part in a Growth Mindset workshop on Wednesday. They were looking at the difference between growth and fixed mindsets and how a growth mindset can help us complete tasks even if we find them challenging. They also managed to make a penguin origami.

Year 2 have been working really hard on their grammar and applying it in a fun way.

Last week our Craft Club made some spooky items. They made their spikey hedgehogs and their scary spider headdresses.

Hera have worked hard this half term on their geography topic. They are busy completing the end of unit assessment on Kahoot. Will they choose the right answer???

Friday 23rd October was the last week of the Tuck Shop for this year. The weather is changing and no one wants to be hanging around in the playground on a Friday afternoon feeling cold and grumpy. We are looking for alternative ways to fundraise for our school and will keep you posted with further developments.

CIGARETTES AND VAPES

We have received a number of complaints regarding people smoking cigarettes and vaping immediately outside of the both the front and the back school gates. Can everybody please be considerate, especially if you are a smoker or a vaper and move away from the gates. People do not want to walk through the smoke or vape residue, and neither do they want their children to.
